Notes for GEORGE COCKS:

By 1898 he must have enlisted in the 9th Battalion Lancashire Fusiliers. At the time of his enlistment, he was living in Woodley, Cheshire. It is known he served in Borneo and South Africa. At some point during this period he contracted malaria.

At the outbreak of the First World War, he was a Sergeant at Penally, near Tenby, Glamorgan.

He was awarded the DCM on 03 Jun 1918 (as per London Gazette) as a Company Sergeant Major, acting Company Sergeant Major. The citation (issued later) read

For conspicuous gallantry and devotion to duty. As C.S.M.. his work has always been all that could be desired, and while acting as R.S.M. he rendered valuable service prior to and during an attack in the guiding and supervision of ration and ammunition parties.

In 1918 he transferred to the Essex Regiment 10th Battalion as a Warrant Officer 2nd class.

He was killed in action on the 8th August 1918 in an attack near Gressaire Wood, near the Bray-Corbie Road. Expected support from tanks was not able to arrive, and 80 men were reduced to 15. It is likely George Cocks died at this time..

An obituary from the Stockport Advertiser on 30th August 1918 read

"The War Office utilised his services for a long time in the training of men in Kitcheners Army and later armies. But he was anxious to be amongst the fighting and repeatedly volunteered for the front. He got in several drafts going out on active service but was fetched back. He offered to forfeit his rank if he could get out. At last he was allowed to go. He was gassed and, afterwards, returned to France".

George had been engaged and after his death, his fiancée gave birth to a girl, Edith.
